Licemjerje

"Može li slijepac slijepca voditi?" - postavlja Isus danas pitanje. On progovara o licemjerju, o toj bolesti ljudskog srca. Ljudi zla srca skloni su u drugima vidjeti zlo. Život im je postao navika u kojem zlo drugoga postaje zadovoljština za vlastite grijeha i propuste. Isus danas govori kako drugima možemo pomoći sami ako sami postanemo bolji. Licemjerje je rana ljudskog srca. Svakome od nas potrebno je čišćenje, čišćenje vlastite duše, sve prljavštine koje je život naslagao u nama. Krist nam nudi lijek, preko svećenika i preko sakramenata. Trebamo mu samo ispružiti dlanove srca i reći: VOLIM TE, ŽELIM BITI TVOJ, želim živjeti i ići za tobom. I danas nam je prigoda zaviriti u vlastite duše i doživjeti SVIJETLO koje Krist obilato nudi. Prihvaćajući ga prestati ćemo biti licemjerni, prihvaćajući ga postat ćemo sretni ljudi, ljudi koji u drugima vide znakove ljubavi, a ne znakove zla. Pođimo tim putem Svijetla već danas.

VLČ. SUDAC - HVALA

Danas se opraštamo od vlč. Sudca. Iskrena srca mu zahvaljujemo na dolasku i boravku u našoj župi. Vlč.

Zlatko Sudac je boravio s nama gotovo dva mjeseca. U tom vremenu je učio engleski jezik, održao nekoliko seminara i za našu župu napravio jedno umjetničko djelo: kardinal Stepinac; ulje na platnu. On se vraća sutra u Hrvatsku. Zahvalni smo Gospodinu za sve darove koje je po njemu nama poslao, za sve ono što Bog tako veličanstveno čini. Radosni smo da smo mogli biti dio te milosti. Vlč. Zlatko neka Te Gospodin čuva i vodi putima koji su dio njegova Plana. Bog Te blagoslovio!

ARE WE HYPOCRITES?

At every mass every day and every Sunday through every sacrament Christ offers us a new way of living a new ray of light. In today's Gospel, Jesus is very harsh saying, *"You hypocrite. Remove the wooden beam from your eye first; then you will see clearly to remove the splinter in your brother's eye."* Often times in our lives we are very critical and we see other peoples mistakes and sins without noticing our own. That is hypocrisy! The Gospel of Jesus Christ is the Gospel of love, that means to love people first and then if needed to criticize them. In other words, Christ calls us to look into our souls first to find peace within us first, to follow Him first and then to offer that love and peace to others. Haven't you noticed many times in your life people react differently if you approach them with love and how differently they react if you approach them with criticism. Love changes and teaches. Love is the force behind everything God does. It should be the same with us who are called the children of God. How strong Jesus' speech is today. He says, *"Can a blind person guide a blind person? Will not both fall into a pit?"* In other words, we are not allowed to criticize others without searching our own soul and our own conscience first. By doing so we will inherit the attitude of love. Only then we will understand and be understood.

Wisdom's Corner

Thank you Fr. Sudac!

We are grateful to our guest priest, Fr. Sudac who held a retreat (seminar) in our church last weekend. He stayed with us for almost two months, he studied English, held seminars and finished a beautiful piece of art for our parish: a portrait of Cardinal Stepinac oil on canvas. Fr. Zlatko, thank you. We know that people around the world are asking for your presence. We feel honored and blessed by your coming among us. We hope and pray that your prayers and sacraments will strengthen our parish community and all those whom we are in touch with. May God bless you and strengthen you in your missionary work. Have a safe trip

back to Croatia.

Thank you!

We are grateful to all of our parishioners who dedicated their time and made the Thompson concert a success. All of the proceeds will go to help our church. God bless.
